DIM	

\*Size available on some colors

## Packaging

---

Box size: **60 x 40 x 40 cm**

Weight per box: **13 kg**

 **200**     **20**

## Personalization

---

• **Embroidery**: This technique is generally used for personalisations that aim for a high-end finish. This technique is the most resistant to washing and use. The embroidery can be applied directly to the product or through embroidered patches. It can be done with thickness effects (with foam) or through patches that will then be affixed to the final product, allowing for variations in materials.
